

SUN CITY ROSEVILLE FOUNDATION HOME MAINTENANCE PROGRAM DONATION REQUEST

Donations from service recipients like you help to keep our van rolling through our neighborhoods, changing smoke alarm batteries, changing light bulbs, clean and replace air filters, and more.

Twenty-seven resident volunteers, on a rotating basis, answer your calls Monday-Thursday all year long.

The Home Maintenance Program is funded exclusively from contributions received from generous donors to the Foundation, (totally separate from Sun City Roseville Community Association) who recognize the value of services received and want to see that this program is available on a continuing basis for all and for the long term.

For that reason, we are asking you to support this program with your generous gift—either cash or check.

If donating by check, please make it payable to Sun City Roseville Foundation (SCRF).

Please complete the information below, and return it in one of the following ways:

- Place your cash gift or check in an envelope today and hand it to your service volunteer **(Preferred)**
- Deliver to the Activities Desk at the Timber Creek Lodge, or
- By U.S. Mail (PO Box 819, Roseville, CA 95678)

Name: _____
